My name is Egor Kuzminykh. I think learning of foreign languages is not a waste of time and money. Learning of foreign languages is very interesting and important. You will know a lot of new information if you will learn languages. You will be able to communicate with other people if you will learn foreign languages. You will get a nice job if you will be knowing two languages at least. It is very exciting to learn a language. So if you wanna know more and communicate with other people you must learn foreign languages. Don't listen to people who talk that learning foreign languages is a waste of time. They are wrong. You will miss a lot of fun and information if you won't learn languages. I'd like to recommend you to learn English. English is not difficult and English is interesting. Languages will help you in life. If you want to live in other countries you have to know languages. You can understand texts of your favourite songs if you know a language. So learn languages it will make you smarter, it will help you in life. Learn languages!
