Writing

Time: 30 minutes

Write a short story beginning with the given phrase. You should describe an event (real or imaginary) and make the end of your story either unexpected or funny. You should write 100–140 words.

It seemed to be an ordinary day but something went wrong I was taking photos in the centre of the town and I saw an old man running down the street and a younger man was running after him. The young man had a gun, so I thought that he was criminal. I did not have a second to think, so I put out my foot and the young man fell over. I was just about to call the police, as the young man said that he was a policeman. Say that I was ashamed is to say nothing.
