It seemed to be an ordinary day but it has been starting cold this afternoon. I was really surprised because it had expected to be a sunny day. But it wasn't! It was so rainy and so windy that I supposed it would be stormy. I decided to watch TV and look for some information about today weather but TV was not worked. Then I turned up a light but it wasn't. I realised that electrical things didn't worked. It meant that the weather was rather bad. I looked through the window and watched that it was dark and stormy. I panicked because I didn't know what I should do and I woke up. I looked through my window. "It is sunny!" I said.
