Writing

Time: 30 minutes

Write a short story beginning with the given phrase. You should describe an event (real or imaginary) and make the end of your story either unexpected or funny. You should write 100–140 words.

It seemed to be an ordinary day but it was not. Those day I wanted to go to my office and get my documents for friend. But it was really unlucky day for me because I can not wake up by the clock, I was sleeping more that I needed to. Then I burned my hand by a cup of coffee. At the moment I thought that that is enough, and next part of the day could be more lucky, but it was not. ~~There~~ true. When I came to office I knew that my documents is escaped and nobody knows where they were. It was really important to me and my friend, of course. I had no idea what to do. Then I came home after job and I wanted to walk to shop and buy some goods. I bought a hot-dog and goe home. A some minutes later I look at on my blouse and found a ketchup. It was awful day ever. I will never forget it.
