Dear friend

There was a little boy named Harry and he was 8 years old. Harry was keen on books and music. But Harry was unhappy because he had no friends and his peers hated him just because he was different. Parents were worried about Harry. Harry's mother asked Harry: "Why are you so sad?" he replied: "I don't know, I just need a friend but every body hates me".

In one sunny day Harry went for a walk. Then Harry saw a girl crying near the house. Harry asked her why she was crying. The girl replied that she was offended by her friend. The girl also called her ~~name~~ and her name was Ann. Harry and ~~Ann~~ Ann had a long conversation. Eventually they understood that they ~~had~~ <sup>had</sup> a lot of in common. Ann was also keen on books and music. Ann was a beautiful girl with blue eyes.

Ann and Harry were meeting every day at the same place. Soon Harry told his parents about Ann and they were very happy. Harry made new friends but he understood that he needed nobody just Ann.

Ann had no friends except of Harry and she was sad when Harry found new friends. Harry told her: "You are my best friend and I need no one but you.", she replied: "But why do you make new friends?", Harry shouted: "Forgive me, I need only you." Harry and Ann were best friends. Harry called her: "My dear friend".
