Friends help each other.

This story is about a girl. Her name was Marina and she was lonely. No one wanted to be her friend in her ^{own} home town.

But one day she and her family moved to the new city. Marina met her new neighbour. It was a girl.

- Hi, my name is Diana, - she said
- Hello, I am your new neighbour. My name is Marina
- Nice to meet you, Diana said - Do you wanna go to the cinema?
- Of course, but I have to ask my mom about it.

Marina went to the house. Her mom was busy.

- Hey mom, I ^{have} met our ~~new~~ neighbour and she asked me if I want to go to the cinema. I said that I need to ask your permission. So, what do you think about it?
- Of course you can go to the cinema. But you have to be at home to the dinner.
- Ok, mom.

Marina and Diana went to the cinema. The movie was great. But on their way back home something happened.

One man tried to steal Marina's phone. But Diana helped Marina to save it from stealing.

After that they ran to their houses, but this man was following them. They ~~got~~ in Diana's house and called ~~to~~ the police.

The policeman came to Diana's ^{house} and caught this man.

- Thank you Diana, for everything that you did tonight,
- Marina said

- That was nothing. Friends ^{should} always help each other.

Marina was so happy. She went back home and told
everything that happened ~~tonight~~ tonight to her mom.
