Writing

I have enjoyed watching a science fiction film, "Star Wars episode III the revenge of Sith". It is story about young Jedi knight Anakin Skywalker. He is a Padawan, that means he is still learn how to use the Force, a mystic power which control everything in galaxy. His friend and teacher Obi-wan Kenobi help Skywalker to learn how to use the force. At the begin of film Anakin a good Jedi but later he become a bad Sith. He help to kill all Jedi knights and help Cancellor Palpaten, the worst Sith, to conquest power under Galactic Republic, that's later become a Galactic Empire. 54

The most interesting part of this film is battles on lightsabers, special weapon of Jedi and Sith. The best battle in the film it is battle between Anakin and his teacher Obi-wan. It is battle between good and evil, in which good is win, but evil survive.

I can recommend this film everyone who like a science fiction, but before watching third episode you must to see first and second episodes.
