### Writing

So I would like to write a review about a science-fiction movie. That is a very good movie. The movie is called "The Guardians of Galaxy". The plot of the movie is about a little boy that was taken to another galaxy after his mother's death. Then that little boy became a star lord.

Groot, Rocket, Star Lord are the main characters.

The movie has an exciting plot, bright characters and good effects. The movie is very interesting and exciting.

I would like to recommend this movie to my friends and you.

The best aspects of the movie are actors, plot, effects, music and other things. The movie is good at every aspect. I don't lie.

To understand how good this movie is, you must watch it.

My friends and family like this movie very much.

I would recommend it for everybody, especially for those who like science fiction. "The Guardians of Galaxy" is

one of the best science fiction movie ever, a lot of critics accepted this statement. Even if you don't like

science fiction you will enjoy this movie.

The movie is very funny, it has a lot of good jokes.
