~~Here~~

Nowadays, we can watch movies all the time thanks for the Internet and Media. Few days ago, I was watching ~~an very enjoyable~~ <sup>an excellent</sup> science-fiction movie at ones. The movie was named "Sound". This movie has great actor cast. The movie is about small girl and her father, who have an unusual and wonderful power. The cast of characters is huge, but every ~~ea~~ character is ~~not~~ marvelous. The main role in "Sound" play small girl Lauri and her ~~dead~~ Mr. Green. They have different occasions. I think that everyone should watch the movie. In the "Sound" you can see the power of friendship, love, parents' love and many different aspects. I would recommend it for people <sup>✓</sup> all ages. Everyone will find "Sound" interesting.

~~Firstly, because every one +1~~

Firstly, because the movie has excellent actor cast.

Secondly, ~~"Sound"~~ watching "Sound" is an excellent entertainment.

In the end a science-fiction movies is a cutcher culture.

~~A rew~~

A review for a student magazine about a science-fiction movie, Vitalina. 59
