## Too Many Toys?

So many toys - good or bad? I reckon, everyone parent wants to give his own child a lot of absorbing presents. And what I <sup>think</sup> thing about it? 30

I know, having a large number of toys is not well, because child can't choose with what toy he would like to play. Unfortunately ~~nowadays~~ this child can't decide what he wants ~~about~~ from life. nowadays. These children are keen on ~~the~~ presents, I believe it is not an advantage 47

But when child has so many toys, he is more happy in childhood. Maybe he thinks that he get more care from parents. 23

In my childhood, I had ~~a~~ so large number of toys. I had my own playing room. But now I can't choose the way in life; It is so awful. 30

Also I know, that children who grow <sup>ew</sup> up in these atmosphere, ~~are~~ are more ~~talkative~~ friendly and sociable. Instead of ~~th~~ when they grew up, they are so cozy.

According to me, many psychologist ~~th~~ tell that they even expensive ~~only~~ "what to do with it". Parents should give <sup>expensive</sup> presents ~~for~~ their ~~th~~ ~~at~~ children only on the celebrations. 52

I you want encourage your child, you can give a few ~~see~~ ~~of~~ sweets: on yummy snacks.

~~It is all what I want~~ I hope I give you <sup>many</sup> ~~a lot of~~ useful advise. 23
