Writing

I think that too many toys is good.

When I was child, I hadn't many toys, but I wanted it.

Until now, I think that. For me, many toys is brilliant. You can choose one or more of them. You can build a town with all of them! Actually, children thinks same. Yes, it, expensive for parents, but... I also think that. You can show your imaginatio with all of that toys! All toys are different, and you too 67

You have your interest, and it is brilliant. You can choose that toy, that you like. Maybe, children change his/her interest, and he/she would like to choose a new toy. But it have disadvan tages too. It can be expensive for parents, or when child will a teen, he/she don't know, What I should do with all this beautiful toys

I think, if you are teen, and you have many interesting toys, you 74 can give them to your little cousins, or brothers. You also can give them for some charity funds, or to poor families. You can find your way, to do with this toys, but I think you should do that.
